Notes from the Administrator....

Thank You for your support!

With last month's positive referendum outcome, you told us loud and clear that you have confidence in our schools.

For this, we say a giant thank-you!

Now, it is time for the real work to begin. It is our responsibility to meet your expectation of continuing to provide top quality instruction for our students.

That planning is already underway. We have already begun to work on our curriculum and instruction strategies and our blueprint to retain and recruit strong teachers. Technology and maintenance plans are in the works as well.

Throughout the process of preparing for the referendum, I had a good feeling about our efforts. Not because I was overconfident about the vote, but because of the feedback I was getting from people. They understood our situation and how important the need is.

At the same time, my coaching instincts also kicked in, causing me to worry. Many people worked countless hours to get the information out, but questions kept running through my mind: Did we do everything we could? Did we get the information out to as many as possible? Did the public understand?

When the votes did come in, all I could say was WOW! Our residents clearly support us and what we are doing. The referendum did not "just squeak by," nor was there the issue of one area supporting it and another not. The entire district gave us a resounding yes!

You have given our school district a tremendous vote (no pun intended) of confidence as we strive to carry out our mission of providing the best education possible to our students. We have an exciting journey ahead of us. Teachers, administrators, and support staff are looking forward to this opportunity.

We are both pleased by and thankful for the support you have shown us. We will continue to work very hard as we grow and move forward.

Thank you Almond-Bancroft!

I welcome your comments or questions. You can contact me at rhanson@abschools.k12.wi.us or call 715-366-2941 ex. 418.

Class of 2018 Valedictorian

Forest Laska has earned the spot of Valedictorian for the 2018 graduating class. Forest shows what can be accomplished with a great attitude, hard work, and determination. He is our National Honor Society President, a Co-Captain in Quiz Bowl, and Math League participant. He was also selected by a district committee to receive the United States Air Force Mathematics and Science Award his junior year. In anticipation of applying to a science program at the University of Wisconsin-Eau Claire, he has taken AP United States History, Pre-Calculus, Calculus, Anatomy & Physiology, Physics, and Chemistry. He has been very helpful for the past two years working as a Teacher's Aide for our High School Science program. He also participates in track, band, and our annual plays. We wish him luck at UW-Eau Claire as he begins his studies in Material Science and Engineering. Congratulations Forest!

Class of 2018 Salutatorian

Cami Newby has earned the spot of Salutatorian for the 2018 graduating class. Cami has consistently proven herself to be an excellent role model and leader. She is a member of National Honor Society, Team Captain of the Varsity Softball team, in Forensics, Math League, FBLA, Quiz Bowl, Show Choir, Spanish Club, and has also served as a peer mentor and tutor. Cami is a very well-rounded student and a strong leader in our community. She has shown great character, dependability, and leadership throughout her time in the Almond-Bancroft School District. Her commitment to helping others provides our younger students with a wonderful example of how our students can impact our school and community. Cami's initiative has not only opened doors for herself, but also shown our other students how investing time in yourself and being a self-advocate can lead to amazing possibilities. We wish her luck as she begins her studies in Pre-Physical Therapy and Athletic Training (double major), with a minor in Psychology. Congratulations Cami!

How to Encourage Summer Reading

As I type this article, we've just had a snowstorm, and it's hard to believe that summer break will be here soon and it's time to think about encouraging summer reading. Nonetheless, just as we plan summer vacations, we must also plan our summer reading. Families can even plan summer reading amongst summer vacations!

It is important to plan summer reading because it helps students continue to practice skills and prevents learning loss over the long break. Summer reading can also help instill a love for recreational reading because they are choosing all of their own reading material. Now the question is, how can you encourage your kids to read.

You can start by looking at your local **library summer program** and **book clubs** (Almond Library 715-366-2151), but some of the simplest activities can be done in your own backyard.

1. Create a calendar with fun activities for your kids to complete while reading (examples: make a tent and read under it, read to a pet, read to the oldest or youngest person you know, read scary stories around a campfire). Ask your kids for ideas too.
2. Choose a topic to study, and get a themed materials from the library. You can even go on a trip based on the theme or base the theme on a trip!
3. Call the library to reserve a storytelling box. Each box has many different materials like books, CDs, flannel stories, and reproducibles for preschoolers.

Thank you to Reading First! for their donation of books to the book room.

Happy reading.

The Almond-Bancroft School District, with support of families and community members, will provide a safe and supportive learning environment, which challenges and prepares each student for success today and tomorrow.

2018-2019 YEARBOOK – SENIOR PHOTO LETTER

To: Parents and Members of the Class of 2019

From: Eagle Publications Yearbook-Mrs. JB Rykal, Yearbook Advisor, jbrykal@abschools.k12.wi.us, 715-366-1941 x314

Senior Photo Submission Deadline: Friday, December 7, 2018

Congratulations on your successes! The following information will help you plan for your senior portraits and ensure that the photo in your child's yearbook will be treasured. You may submit a photo taken by a professional photographer of your choice, as long as your submitted photo meets deadline, aesthetic and technical specifications. If you have not yet scheduled a sitting with a professional photographer, do so as soon as possible.

The purpose of the senior photo policy is to promote clarity and recognition of students and to discourage controversial submissions.

- The photo must be a head and shoulders shot of the student (from the waist up is acceptable). No profiles please (both eyes of the senior should be visible).
- The photo should be submitted without any writing on it (the name of the photographer's studio).
- The staff designs the book for portrait pictures only (landscape photos will be cropped).
- The photo must not have an all-white or all-black background as these photos often look like "cut-outs"
- The photo must not contain props, pets, or persons other than the senior (props include vehicles, sports equipment, instruments, etc.)
- Students in the photo must follow the school dress code. Although it is usually summer when photos are taken, students must have their bodies adequately covered. No cleavage. No hats. No inappropriate logos on t-shirts.

Due to copyright laws, your photographer must submit a senior portrait to the yearbook staff and grant his/her permission for the yearbook staff to publish the photograph. The best way to do this is to have the photographer send an e-mail to Mrs. Rykal which releases the photograph for publication in the Almond-Bancroft Yearbook with the photo attached. Photographers should note that these photos are also used for the senior video at the graduation ceremony and submitted to the Waushara Argus Paper and the Stevens Point Journal.

If you will not be using a professional photographer to take your senior's photo(s), the student may ask a yearbook staff member to take a quality photograph of him/her in a local indoor or outdoor setting. You may also submit an unprofessional photo as long as the picture is well focused and has a high resolution and meets the above listed criteria.

Enjoy the upcoming, fast-paced year with your senior! Thank you for your cooperation and feel free to contact Mrs. Rykal if you have any questions.

These Are Approved Yearbook Photos

These Do NOT Meet Specifications

We only accept medium tone backgrounds as black and white backgrounds often make the photo look like a cut-out.

This photo does not meet the school approved dress code (no hats).

All full-body shots submitted will be cropped to meet guidelines.

No trees or other objects allowed in the foreground of the photo.

Horizontal photos do not fit our publishing specs. Also, only photos from the waist up are accepted or will be cropped.

WELCOME TO ALMOND-BANCROFT SUMMER SCHOOL 2018

Dear Families,

We are pleased to be offering our 2018 summer school program. Please take a moment to review the program guide to assist you and your children in determining what classes are appropriate and interesting.

There is a nice selection of classes that cover reading, writing and math, fitness activities, outdoor activities, games, computer activities, science activities, and much more. We will be offering swimming lessons again this year at the YMCA in Port Edwards. There will be no charge to participate. **We ask that you only sign up for one session of swim lessons to allow all students an opportunity to take part in this very popular and beneficial course.**

Each student enrolled will receive a free summer school draw string bag! Students need to be enrolled in one or more classes to receive one.

We will be offering a breakfast and lunch program for all students in the Almond-Bancroft School District. All students are welcome to eat regardless of whether or not you take part in the summer school program. Breakfast will be served Monday-Thursday 8:00-8:30 AM and lunch will be served 11:30 AM-12:00 PM. This program is free to any student in our district.

We will be offering transportation from Bancroft to Almond. The students will be picked up Monday-Thursday at 7:45 AM on the south side of the Bancroft Lions Park and will return at approximately 4:15 PM.

HOW TO REGISTER FOR CLASSES;

- 1) Go to the District Webpage: www.abschools.k12.wi.us**
- 2) Click on the "Summer School 2018" link**
- 3) Complete the online registration form on or before Friday, May 11, 2018**

If you do not have access to the internet to complete the registration, you are welcome to come to school and we will assist you in registering for your child(s) classes.

Remember, you are not required to take part in all six weeks; your child may attend all or just portions of the sessions. The exception to this is if your child will be participating in swim lessons. Due to the fact that there is limited slots for the swim program, your son/daughter may be dropped from the program if they miss more than 2 lessons. If you have any questions, please feel free to call **Jeff Rykal at 715.366.2941 ext. 416 or Adam Stead at 715-366-2941 ext. 304.** Thank you!

Boys & Girls Club of Portage County

The Boys & Girls Club of Portage County will be offering a variety of engaging programming for students entering grades 1st-12th at the Almond-Bancroft Extension club site. They are open Monday-Thursday, June 11th through August 10th (closed the week of the July 4th) from 12:30-5:30 PM. Check out bgclubpc.org for more details!

The Boys and Girls Club will also be open during the two weeks after session two of summer school! During these weeks, they will be open Monday-Thursday, 8:00 am – 5:30 pm. Free breakfast, lunch, and snack as well as bussing from and to Bancroft will be provided. Pick up and drop off will be at the Bancroft Lions Park at 7:45 AM and 4:15 PM.

Please contact the site director at lindsey.mott@bgclubpc.org for registration information and with any questions!
