District Administrator Message

When people think about January, many times people focus on the freezing cold weather, making resolutions for the new year, and the NFL playoffs. I think of these things too, but this year I also realized that January may be kind of a bleak month with the weather, but it is surrounded by months focused on care.

We just got back from the holidays when students, teachers and families had the opportunity to take a break from school and enjoy some time away with family and friends. I hope that all of you had a wonderful holiday filled with joy. As we look ahead to February, we look to Valentines Day and showing care and love for those around us. I would much rather look at January as being surrounded by care.

In a time where schools and districts are becoming more 'data-driven' I see Almond-Bancroft School District as being data-informed and student-driven. As you may know, we are in the midst of our iReady winter assessment and state assessments will be beginning soon. Don't get me wrong, data is important to us and what we do, but we never place it before the needs of our students. We analyze this data, but we do this to inform our practices, so we can better meet the needs of our students.

Our students and their well-being is at the forefront of each of our minds. We fully understand that your child is much more than a number or a data point. I love the fact that we have a small district, and our teachers have the opportunity to truly get to know your students. Assessment data is only one small part of the person your child is and who he/she will be. We pride ourselves on supporting our students in all ways, academically, behaviorally, social-emotionally, etc. Our greatest hope is that we build a caring environment that all of our students can thrive in and that each and every one of our students has adults that they can turn to in times of joy and in times of struggle.

I hope that everyone stays warm and safe and feels the care that we have for our students, families, and community. #AlmondBancroftPRIDE.

Meet Our New Staff

Hi, my name is Dillon Martin and I am excited to start my job at Almond Bancroft School District as the new High School Physical Education and Health teacher. I graduated from UW Eau Claire and this will be my first teaching job outside of college. Some of my hobbies include ice fishing, playing softball, and spending time with family and friends, and working my side job at a Christmas tree farm. I look forward to working with students to better their physical health and to create relationships between my students.

Hello! My name is Rod Turzinski, and I'm looking forward to my new position as Lead Custodian/Maintenance at Almond-Bancroft Schools. I am very familiar with the district and community. I graduated from Almond-Bancroft as well as my four children, Johl, Bryn, Paige, and Claire. My wife, Shelly, and I live in Almond. I am also coaching varsity boys' baseball at A-B. In my free time I enjoy the outdoors and spending time at our cabin up north.

Anna Reese is student teaching in Stephanie Perzinski's classroom and will move to Brenda Ramczyk's classroom during 4th quarter.

Logan Wood is student teaching in Brenda Ramczyk's classroom and will move to Abby Blanke's classroom during 4th quarter.

Anneliese Kosinski is student teaching in special education. She will be working with both Marcey Lehman and Carla Klismith.

Lynzie Nightengale is student teaching in Carrie Omernik's classroom all semester.

& Our Student Teachers

ALMOND-BANCORFT MUSIC DEPARTMENT NEWS

Several High School Band Choir students were nominated and participated in the Central Wisconsin All Star Festival held in Wild Rose on January 20. The students spent the entire day working with clinicians with many years of musical experience. The choir was composed of over 125 students from schools around Central Wisconsin. The band had almost 70 members and performed pieces by regional composers. The students arrived at 9:00 AM and rehearsed with their ensembles until 3:00 PM. Then the band and choir put on a concert for the community to showcase their amazing talent.

It was a great day for all the students, but specifically our ABHS students who were able to experience a large musical ensemble different from what we have.

Pictured: Karl Kiefer, Isabelle Behnke, Alyssa Borski, Adrianna Conley, Vivian Kramer, Jesus Perez Pacheco, Jennifer Ortiz, Lucy Behnke, Camryn Wade

On February 24 the Music Department will be participating in the district Solo and Ensemble Festival at Tri County High School. The students will be performing solos, duets, and small ensembles for judges critiques. They will earn a score based on their performance and will then receive medals. This is a great opportunity for our students to grow in their musical abilities as individuals.

MIDDLE SCHOOL STUDENTS OF THE MONTH

Each month middle school staff members choose one student from each grade level who has demonstrated positive behavior throughout the month. Here are the winners!

Our sixth grade November student of the month is Andrea Ramirez! Andrea is a student who sets the bar high for her peers. She works hard and fights through understanding. She smiles easily and is enjoyed by her peers. Congratulations Andrea!

Our seventh grade November student of the month is Gabe Kett! Gabe has a future in debate. He shows sparks of excellence in his work and definitely speaks his mind. Congratulations Gabe!

Our eighth grade November student of the month is Madai Banda! Madai has a quiet way about her. She works hard and enjoys interacting with her friends. Madai has a quiet but large personality. She is always competitive with good spirit. Congratulations Madai!

Rosalyn Knutson is our seventh grade December student of the month! Rosalyn is very creative and always willing to help others. Roz is a strong presence in her class. She is quick with answers to questions or to help another student out if needed. She works hard on every assignment and it certainly shows in her grades. Roz is thoughtful and persistent. She asks questions that show she is truly thinking and learning. Congratulations Rosalyn!

Katie Caldwell is our sixth grade December student of the month! Katie is always the first to volunteer to help. She's dedicated to her studies. Katie is kind and considerate of everyone in the classroom. She seeks out new ways to challenge herself (ex. Asking for a more complex multiplication problem to work on). Katie is a quiet presence in the classroom, but is not afraid to speak up when she knows an answer or to ask a great question. She always seems to be looking forward to what kind of new information she can learn. Katie's greatest strength is that she advocates for herself. She is easy to smile and welcomes the chance to learn. Congratulations Katie!

Zander Rossouw is our eighth grade December student of the month! Zander is a constant learner and seeks knowledge. Zander has an unmatched wit. Zander is always ready to share ideas and questions in class - stretching the conversations to look for understanding in the core concepts of our subject matter. He has an awesome, dry sense of humor and has shown he has a good sense of himself and of what is happening around him. Zander carries himself with an air of confidence that is unmatched. Zander offers a unique perspective to any discussion. He does what is asked of him without complaining, even if it isn't his favorite thing to do. He is honest but respectful. Congratulations Zander!

GEOGRAPHY COMPETITION HIGHLIGHTS

With over 250 students across 11 surrounding school districts in attendance, selected Almond-Bancroft 7th and 8th graders were able to attend Adams-Friendship Middle School for a Geography Competition. At the competition, students took a short individual test, along with a team test. Huge congratulations to Indigo Sheffy for placing 3rd out of all 7th graders in attendance on the individual test! Students had a blast challenging themselves and learning new things. Thank you Adams-Friendship,

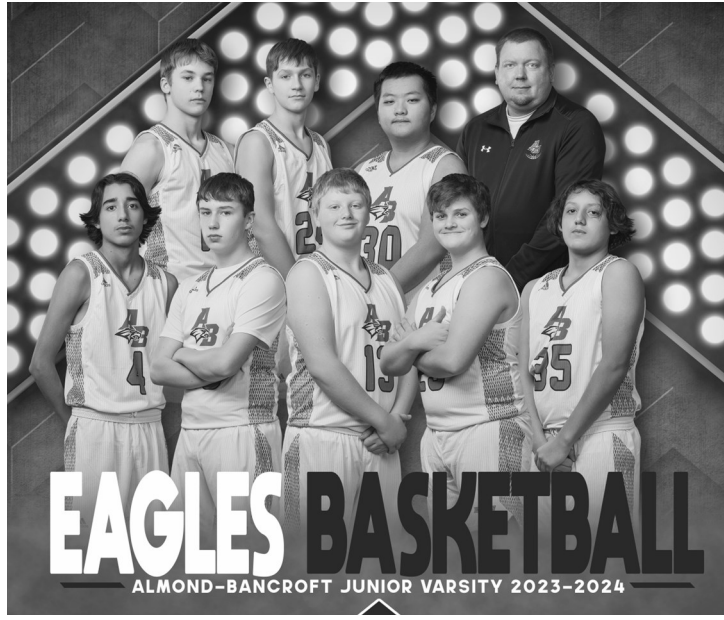

Montello, and Portage for putting on such a fun event!

2023 Almond-Bancroft Additions to the 8-Player Football State Record Book

- Four players (Gibraltar's Braden Kita, Wabno/Laona's Cooper Albrecht, Three Lakes/Phelps' Jared Kaufman, and Almond-Bancroft's T.J. Lamb) all threw seven touchdown passes in a single game, tying them for third in state history.
- Almond-Bancroft's Ayden Phillips caught 73 passes, which is tied for third-most in a single season.
- Almond-Bancroft's Ayden Phillips is up to second in career receptions with 155 and third in career receiving yards with 2,420, as he still has a year for the Eagles. He is also tied for fourth on the career list with 29 touchdowns catches.
- Almond-Bancroft's Shane Klismith set a new state record with four interceptions in one game.

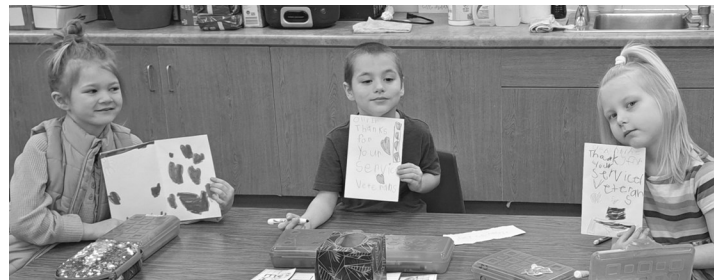

Congratulations A-B Athletes!

Elementary Holiday Fun Day!

The elementary students had the opportunity to participate in a Christmas fun day. There was bingo, scavenger hunt, making gift tags, pin the nose on the reindeer, cookie decorating, hide Santa, snow bowling, and snowball scoop. The students had a great time! Thanks to all the teachers and staff who organized such an amazing day for our students!

The elementary students have been busy making Valentines for Veterans! The valentine cards have been mailed to the Wisconsin Department of Veterans Affairs in Madison and will be delivered to homes on February 14.

**ELEMENTARY PBIS BEHAVIOR WINNERS.
CONGRATULATIONS!**

The 4K and Kindergarten classes got together with some of Mrs. Omernik's high school students to make a tasty dirt cup for their afternoon snack. The younger students crushed and mixed their dirt, and assembled their cup with the aid of an older student. Some even enjoyed a worm!! This was an outstanding opportunity for a cooperative experience for all involved.

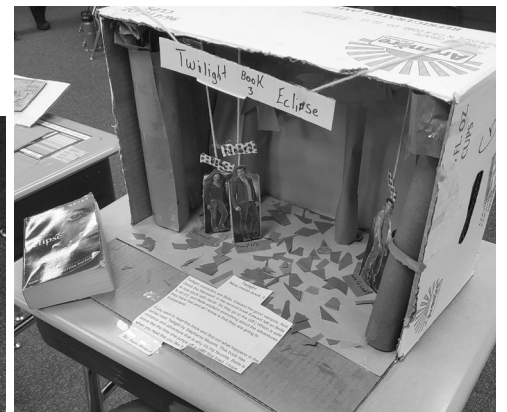

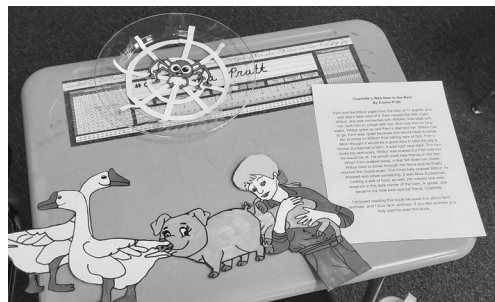

The kindergarten students learned about different states of matter. They enjoyed understanding solids, liquids, and gases with a sweet treat! Root beer floats!

The third grade has been working diligently on earning their recorder karate belts. So far they have tested and earned their white belt, yellow belt, and orange belt. They are currently working towards their blue belt by playing "When the Saints Go Marching In."

Fifth graders used fraction sticks to help compare fractions last week.

The 4th and 5th graders completed another round of readers' responses. This month they were given a choice of which type of project they wanted to do. We had a good variety of projects from Google Slide Presentations to hand-crafted scenes and mobiles.

Almond-Bancroft Middle School Spelling Bee

On Thursday, January 25th, 2024 the middle school hosted its annual district spelling bee. Zander Rossouw was the champion spelling 'fiendishly' and 'forerunner' correctly. Sebastian Rajkowski was runner up. Zander will compete at the Regional Spelling Bee on February 15th at the Wisconsin Rapids Middle School. Zander is pictured on the left and Sebastian is on the right.

Congratulations Zander and Sebastian!

8th Grade Tech. Ed students finished their Gum Ball machine project using many of the hand and power tools within the shop to complete the project. They look great!

To get in the holiday spirit, 7th grade Social Studies classes designed their own ornament on an American Founding Father with facts and images to connect with their discussion in class on the Declaration of Independence and the United States Constitution.

A few of our High School boys took advantage of the local snowmobile trails being open and drove their snowmobiles to school. Pictured are Kayden Hageness, Richard Bentley, Emmitt Stiles, and Brody Dernbach.

HELP US SAVE A LIFE

Join us for a free Stop the Bleed Class

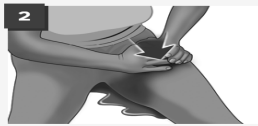

Almond Fire Station • February 22, 2024 • 3:00-5:00 PM

Email if you plan to attend Chief@almondffd.com

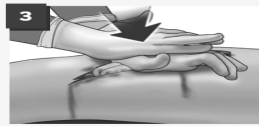

Quick actions to STOP THE BLEED

Call 911

Apply Pressure with Hands

Pack Wound and Press

Apply Tourniquet

Who Can Take the Course

A STOP THE BLEED® course is for people who are interested in learning this lifesaving skill. The American College of Surgeons STOP THE BLEED® campaign has trained over 3 million people including students, teachers, and community groups. We are committed to training anyone who is old enough to understand what the course teaches and is interested in learning how to STOP THE BLEED® and save a life.

Why Learn

A bleeding injury can happen anywhere. We've all seen it happen too often-on the news or in everyday life. Life-threatening bleeding can happen in people injured in serious accidents or disasters. Instead of being a witness, you can become an immediate responder because you know how to STOP THE BLEED®

What You'll Gain from the Course

The person next to a bleeding victim may very well be the one who's most likely to save him or her from bleeding to death. By learning how to STOP THE BLEED®, you'll gain the ability to recognize life-threatening bleeding and act quickly and effectively to control bleeding once you learn three quick techniques. Take the STOP THE BLEED® training course and become empowered to make a life or death difference when a bleeding emergency happens.

What You'll Learn

What stops bleeding? In a STOP THE BLEED® course, you'll learn three quick techniques to help save a life before someone bleeds out: (1) How to use your hands to apply pressure to a wound; (2) How to pack a wound to control bleeding; (3) How to correctly apply a tourniquet. These three techniques will empower you to assist in an emergency and potentially save a life.

Dear Friends of the Community,

Our Almond-Bancroft Post Prom Committee is here with an excited group of parents ready to plan our next post prom. We are happy to report that this event is becoming a welcome tradition that the students, especially the new juniors, look forward to. We are so grateful for you and our community, who every year step up and help us plan this safe event for our kids at Almond-Bancroft School.

According to the National Highway Traffic Safety Administration, one in three alcohol-related teen traffic fatalities occurred during the prom season, from April to June. Two out of three teens surveyed through MADD said they felt pressured to drink during prom. Thanks to generous donations from our community, we are going on our sixth year of providing a safe and exciting night of events as an alternative for these kids to attend after prom. Last year's post prom included a giant bag toss, pool tables, karaoke, lots of delicious food, and every student who attended went home with a prize! Without your help, none of this would have been possible!

Our Post Prom Committee would like to ask for your support again this year. If you are interested in donating, please make checks payable to AB Post Prom and send them to:

Almond-Bancroft School
1336 Elm St.
Almond, WI 54909
% Candace Beggs

If you have any items you would like to donate that need to be picked up, please email cbeggs@abschools.k12.wi.us. If possible, we would like to receive donations by March 1, 2024.

Thank you in advance for your support and for helping to make a difference in our community!

Sincerely,

Almond-Bancroft School Post Prom Committee

4K Registration 2024-2025

If you, or someone you know, has a child living in the Almond-Bancroft School District who is 4 years old or will be turning 4 before September 1, 2024, they are eligible to register and attend 4K programming at Almond-Bancroft!

Families need to have registered their child on the school's census to automatically receive 4K programming information.

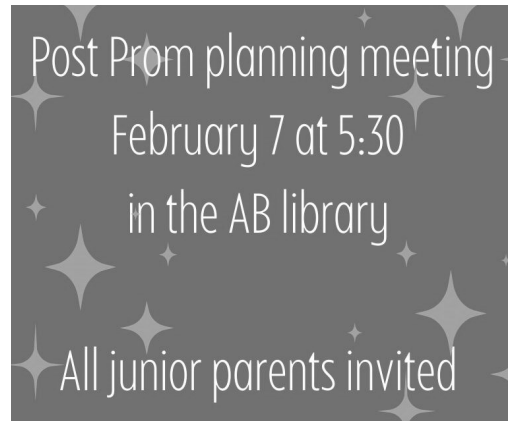

How do we get added to the census?

If you, or someone you know, have young children not on the census, please call/have them call Sandy Barden at 715-366-2941 x108 and provide her with the child's name, birthdate, and address. Please note: children can be added to the school census at any age!

ALMOND-BANCROFT PAST GRADUATES NAMED TO 2023 FALL SEMESTER DEAN'S LIST OR HONOR ROLL

Felicity Budelier, Drake University
Tyler Huntington, Fox Valley Technical College
Candace Lein, Iowa State University
Orion Kunst, Mid-State Technical College
Ella Winn, Mid-State Technical College
Gracelyn Breitenstein, UW La Crosse
Alex Burns, UW La Crosse
Chloee Dernbach, UW La Crosse
Melissa Perzinski, UW La Crosse
Carlee Lamb, UW Madison
Benjamin Colombe, UW Oshkosh
Elijah Kollock, UW Oshkosh
Matt Lukas, UW Oshkosh
Megen Manske, UW Oshkosh
Daniel Burns, UW River Falls
Jillian Newby, UW River Falls
Aurelia Vega, UW-Stevens Point

If we have missed including a past A-B graduate who has been named to a Dean's List, please reach out to Trina Warzynski, twarzynski@abschools.k12.wi.us, and we will include their information in the next newsletter.

ORDER YOUR A-B YEARBOOK TODAY!

Last day to order a yearbook for Elementary/Middle School and High School is February 23. You can order at jostensyearbooks.com or email cklismith@abschools.k12.wi.us for a paper order form.

Elementary/Middle School yearbooks are \$20 and High School is \$49.

Almond-Bancroft School District Mission Statement

The Almond-Bancroft School District, with support of families and community members, will provide a safe and supportive learning environment, which challenges and prepares each student for success today and tomorrow.

Almond-Bancroft School District Vision Statement

We are a collaborative community focused on continued growth in opportunities, choices, and expectations for all students. We prepare self-motivated and responsible students to become well-rounded and successful citizens.
